

Knorr-Bremse Provides Advice to Students at the Able, Gifted and Talented Futures Event

On 5 October 2011, Knorr-Bremse Rail Systems (KBRS) supported the Able, Gifted and Talented Futures event, providing students from across West Wiltshire with advice and information on the careers paths available at KBRS and the different routes that can be taken to achieve their career aspirations as part of an event organised by the West Wilts Alliance of schools.

The event held in Bradford on Avon was well attended by Year 10 students and their parents from across the schools in the West Wilts Alliance. A wide range of local companies from a variety of business areas were also present including representatives from the fields of finance, law, medicine, education, sports professionals and the Civil Service in addition to the KBRS representatives from Engineering, Human Resources and Marketing functions.
