**Job Description:**

**Purpose of position:**
We are recruiting for an Assembler, who will assemble and fit to general drawings and test a wide range of products.

**Training / education:**
Mechanical fitting and/or electrical experience required.

**Qualifications**
Apprentice trained or NVQ level 3 in mechanical or electrical engineering preferred.

**Additional skills and requirements (IT, languages, extensive travel, etc.):**
- Must be numerate, literate and computer literate.
- Must be able to work manually.
- Willing to work shifts and overtime.

**Indicative main responsibilities / duties (5-9 key outputs):**
- Testing products to the required specification.
- To be conversant with Standards and Procedures laid down by KBRS and the Department.
- Work to requisite Quality standards as required within the Company Quality Manuals.
- Comply with all Company and Legislative requirements in Environmental Health and Safety practices.
- Maintain the prescribed standard of housekeeping.

**Applying for this position:**

**By email:**
To apply by email, please send your CV and Covering Letter to: recruitment.resmlk@knorr-bremse.com.

Please include the ‘Job Title’ in the email subject.

Please note that roles may close earlier than specified should we receive sufficient applications prior to the written closing date.
